# Mt. Haley Church of God

## *Personal Discipleship Questionnaire*

*January 2017*

God desires for every Christian to be growing continually and maturing in the faith. The same is true for the local church, as well.

*Speaking the truth in love, we will in all things grow up into him who is the Head, that is, Christ. From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work. (Ephesians 4:15-16 NIV)*

Each person is responsible for his or her personal spiritual growth. The church's role is to provide encouragement, motivation, resources, fellowship, and an environment in which spiritual growth can take place in each person.

**To help you develop a discipleship plan for 2017, please answer the following questions as honestly as you can.** When you are finished, return this to Pastor David. Your responses, which will be held in strict confidence, will be helpful for him to know how better to teach, encourage, and equip you.

The goal of this process is to motivate you to keep growing in Christ!
