

**Mt. Haley Church of God**  
**Discipleship Plan for 2017**

*Three things are needed for continued spiritual growth: practice, teaching, and community.*

- ✧ We need to practice following Jesus in specific, tangible ways.
- ✧ We need to learn to follow Jesus by studying scripture and other teachers.
- ✧ We need to walk in community with other believers who can help us to grow in love, service, and faithfulness.

Our plans for growing as disciples of Jesus in 2017 will address each of these categories. I encourage you to select/write at least one item in each of these three areas. Commit yourself to growing in these ways, and keep this page as a reminder of your commitment for the year!
