Thank you

We feel privileged to be able to be in Guatemala and have a front row seat at what God is doing.

We have had an amazing year of growth and seen God move in our lives and in the lives of those around us. All of this would not have been possible without your love, prayers and support.

Please know that you are prayed for often and always welcome to come and stay with us to see first hand how our partnership is furthering the Kingdom. It is an amazing experience and we would love to share it with you. It will change your heart forever

Sincerely,

Darren and Gwen Allen
